**LD 1571 An Act To Amend the Laws Governing Workers' Compensation**

**Carried Over**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CUSHING COURTNEY		

This bill amends provisions of the Maine Workers' Compensation Act of 1992 and procedures of the Workers' Compensation Board.

1. It amends the law to provide for full reimbursement to an employer from proceeds paid by a third party.
2. It amends the selection process for the Workers' Compensation Board. Under current law, the three representatives of labor on the board must be appointed from a list provided by a bona fide labor organization or association of employees. This bill instead requires that one of the three labor members be appointed from that list; the other two labor representatives must be appointed at the discretion of the Governor.
3. It repeals the troubleshooter program established under the Maine Revised Statutes, Title 39-A, section 153, subsection 2.
4. It amends the mediation provision to require that mediation be requested both by the employer and the employee.
5. It eliminates the board's audit and enforcement oversight of the Maine Insurance Guaranty Association.
6. It amends the law to address the decision in Roy v. Bath Iron Works, 2008 ME 94, to specifically provide that a subsequent nonwork injury, independent of any work-related injury, and unrelated to any work-related injury, that results in total disability results in a cessation of benefits for the duration of the disability.
7. It specifies that, if an award has been entered, the employer, insurer or group self-insurer may petition the board for a reduction and may not reduce or discontinue benefits until the issuance of a decree by a hearing officer, after which benefits may be reduced or discontinued pending an appeal from the hearing officer's decree.
8. It eliminates the requirement that a physician have an active practice in order to be qualified to conduct a medical examination.
9. It provides that if an employee chooses to have a physician present at an employer-required examination, the employee must pay the cost of that physician.
10. Under current law, in establishing standards, schedules or scales of maximum charges, the board is required to consider maximum charges paid by private third-party payors. This bill requires the board to base those standards, schedules or scales on reasonably and customarily negotiated charges between health care providers and third-party insurers and requires that if standards are not established by October 1, 2011, then charges customarily paid by MaineCare apply.
11. It amends the laws governing compensation for partial incapacity.

***Joint Standing Committee on Labor, Commerce, Research and Economic Development***

- 12. It repeals provisions of the law requiring the board to adjust the 15% impairment threshold, dates of injury and extension of the period of benefit limitation.
- 13. It provides that an employee who is otherwise retired is not presumed to have a loss of earnings or earning capacity regardless of whether the employee terminates active employment.
- 14. It amends the statute of limitations periods when no first report of injury is required to be filed.
- 15. It amends the law to address the decision in *Larochelle v. Crest Shoe*, 655 A. 2d 1245 (Me 1995) to specify that overpayments made during the pendency of a motion for findings of fact and conclusions of law must be repaid.
- 16. It prohibits the board from assessing a fine against an employer or insurer in excess of \$25,000 unless the employer or insurer intentionally and fraudulently failed to pay compensation.
- 17. It provides that, for injuries occurring after January 1, 2005, lump-sum attorney's fees are paid on the indemnity portion of a settlement.
- 18. It prohibits the assessment of an attorney's fee for the amount of any settlement intended to pay for current or future medical costs.
- 19. It repeals provisions regarding the Supplemental Benefits Fund, which was established to reimburse payments of compensation to employees under provisions governing extended benefits for partial incapacity that are repealed in this bill.

This bill was carried over to any special and/or regular session of the 125th Legislature by joint order, H.P. 1190.

CORNELL DU HOUX RECTOR	OTP-AM	H-397 H-658    PRESCOTT

This bill permits the Board of Dental Examiners to issue a limited license to a dentist who has retired from the regular practice of dentistry for the purposes of permitting the dentist to practice in a nonprofit dental clinic.

**Committee Amendment "A" (H-397)**

This amendment provides that a retired dentist who receives a limited license to practice at a nonprofit dental clinic may not receive any remuneration for work performed at the clinic. The amendment requires the applicant to furnish proof satisfactory to the board that the applicant has been licensed to practice dentistry in this State and is in good standing with the board. It also requires that an applicant licensed to practice dentistry in another state or a Canadian province have professional education that is not less than required in this State and that the applicant must be in good standing and not subject to disciplinary action in the state or Canadian province in which the license was granted. The amendment also adds an appropriations and allocations section.

**House Amendment "A" (H-658)**

This amendment reduces the fee for a limited biennial license and renewal of a limited biennial license from \$200 to \$75.
