PUBLIC 583

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
Soctomah	OTP-AM	H-821

This bill creates the crime of fraudulent claim of affiliation with a federally recognized tribe for when a person knowingly claims falsely to be affiliated with a federally recognized tribe with the intent to obtain, and does obtain, something of value to which the person is not entitled.

Committee Amendment "A" (H-821)

This amendment replaces the bill. It establishes a civil violation with a maximum fine of \$2,500 for a person who falsely claims to be a member of the Aroostook Band of Micmacs, the Houlton Band of Maliseet Indians, the Passamaquoddy Tribe or the Penobscot Nation, which are federally recognized, with the intent to obtain property to which the person is not entitled and, because of the false claim, does obtain property. This amendment provides that "property" has the same definition as provided in the Maine Revised Statutes, Title 17-A, section 352, subsection 1.

An Act To Promote Agricultural Activity in Maine by Limiting the Liability for Agritourism Activities

PUBLIC 609

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LIBBY THIBODEAU	OTP-AM MAJ ONTP MIN	H-839

This bill provides limited liability to landowners who open their land for agritourism activities.

Committee Amendment "A" (H-839)

This amendment is the majority report of the Joint Standing Committee on Judiciary. It replaces the bill with a limitation on the liability of agritourism professionals based on participants' assumption of the inherent risks of agritourism activities.

Inherent risks include but are not limited to certain hazards, including surface and subsurface conditions and natural conditions of land, vegetation and waters; the behavior of wild and domestic animals, including but not limited to the depositing of manure; ordinary dangers of structures or equipment ordinarily used in farming and ranching operations; and the potential of injury to a participant or others if a participant acts in a negligent manner, including failing to follow instructions given by the agritourism professional or failing to exercise reasonable caution while engaging in the agritourism activity.
