An Act To Clarify the Status of Patients Held under Involuntary Commitment Applications

PUBLIC 541

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MOULTON	OTP-AM	H-747

This bill clarifies that an application for involuntary commitment, also known as a "blue paper," or the subsequent review and endorsement of that application by a judge or justice, is not a judicial determination of commitment and that emergency hospitalization under a blue paper application is not involuntary commitment.

Committee Amendment "A" (H-747)

This amendment replaces the bill and clarifies that an application for admission to a psychiatric hospital under the Maine Revised Statutes, Title 34-B, section 3863 is not a commitment to a psychiatric hospital. It retains the effect of the bill. The amendment strikes a reference to commitment under Title 34-B, section 3863 in the criminal laws on firearms possession.

Enacted Law Summary

Public Law 2011, chapter 541 clarifies that an application for admission to a psychiatric hospital under the Maine Revised Statutes, Title 34-B, section 3863 is not a commitment to a psychiatric hospital and that emergency hospitalization under such an application is not involuntary commitment. The law also strikes a reference to commitment under Title 34-B, section 3863 in the criminal laws on firearms possession.
