Joint Standing Committee on Inland Fisheries and Wildlife

LD 1732

An Act To Amend Certain Provisions of the Fish and Wildlife Laws

**PUBLIC 533
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN T	OTP-AM	S-391

This bill removes a penalty of 18% annual interest for each day a license agent is delinquent in forwarding collected fees to the Commissioner of Inland Fisheries and Wildlife.

The bill also removes language that prohibits the percentage of antlerless deer permits issued to nonresident and alien hunters from exceeding the average percentage of applicants for antlerless deer permits over the previous 3 years who were nonresidents or aliens.

The bill establishes that a shareholder in a landowner association or in an S corporation that owns a certain amount and type of land is eligible to apply for an antlerless deer permit as a landowner.

The bill enacts a penalty provision for operating a boat with an expired temporary registration certificate.

Committee Amendment "A" (S-391)

This amendment makes the following changes to the bill.

1. It adds an emergency preamble and emergency clause to the bill.
2. It repeals the 18% annual interest penalty for each day a watercraft, snowmobile or ATV registration agent is delinquent in forwarding collected fees to the Commissioner of Inland Fisheries and Wildlife. The bill removed this penalty for license agents and this amendment makes provisions for all agents the same.
3. It removes the provision that provides that a shareholder in a landowner association or in an S corporation that owns a certain amount and type of land is eligible to apply for an antlerless deer permit as a landowner.
4. It amends the law allowing resident student groups to fish for 3 days without a license to allow any student or youth group, not just residents, to be eligible for this privilege.
5. It amends the law establishing the Advisory Board for the Licensing of Taxidermists. It removes the member of the general public and increases the number of taxidermists on the board to two.
6. It amends the law governing the distance a snowmobile can be operated on a public way for the purpose of crossing a public way, sidewalk or culvert from 300 yards to 500 yards.
7. It allows contractors of the Department of Inland Fisheries and Wildlife to use gill nets in the same manner that department personnel may use gill nets.
8. It removes the residency requirement for eligibility for a special antlerless deer permit for persons suffering from the loss of the use of both lower extremities.

LD 1747 An Act To Prohibit Municipalities from Imposing Fees on Ice Fishing Shacks

**PUBLIC 519
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHAW DIAMOND	OTP-AM	H-734

This bill prohibits a municipality or political subdivision of the State from enacting any ordinance, law or rule imposing a tax or fee on ice fishing shacks on sources of public water supply and on coastal waters. Current law prohibits a municipality or political subdivision of the State from enacting any ordinance, law or rule imposing a tax or fee on ice fishing shacks on other waters in this State.

Committee Amendment "A" (H-734)

This amendment removes from the bill reference to a municipality or political subdivision of the State imposing a tax on ice fishing shacks located on sources of public water supply or on coastal waters, because municipalities are not empowered by the State to levy such taxes.
