**LD 1745      An Act Regarding the Fee for Amusement Ride Inspections and the Development of Options To Move the Responsibility of the Inspections from the Office of the State Fire Marshal      VETO SUSTAINED**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HASKELL	OTP-AM MAJ OTP-AM MIN	H-874

This bill allows qualified private sector organizations or individuals to inspect amusement rides to ensure they are safe for the public. Under this bill, the Office of the State Fire Marshal has oversight over the certification of qualified amusement ride inspectors. The bill also repeals laws governing licensure of circuses in the Maine Revised Statutes, Title 8.

**Committee Amendment "A" (H-874)**

This amendment replaces the bill and is the majority report of the committee. The amendment changes the fee for a license for an amusement show, carnival, thrill show, ice show, rodeo or similar type of performance that has amusement devices from \$300 to \$50. It also changes the cost of an amusement device inspection to a \$75 per hour per inspector inspection fee for each device with a minimum \$75 charge. The amendment also directs the Department of Public Safety, Office of the State Fire Marshal to develop alternative options to move the oversight or responsibility of amusement ride inspections from that office to private inspectors, the Department of Professional and Financial Regulation and any other plausible inspection alternatives. The amendment requires the Office of the State Fire Marshal to include the cost to the State and the regulated industry of a change in the oversight and to report and make recommendations to the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters by January 15, 2013, along with draft legislation. It gives the committee authority to report out legislation to the First Regular Session of the 126th Legislature regarding an alternative to the amusement ride inspection program.

**Committee Amendment "B" (H-875)**

This amendment replaces the bill with a resolve and is the minority report of the Joint Standing Committee on Criminal Justice and Public Safety. It requires the Department of Public Safety, Office of the State Fire Marshal to develop a detailed plan to privatize the inspection of amusement rides in Maine and to report back to the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters by January 15, 2013, along with any draft legislation. It authorizes the committee to submit legislation to the First Regular Session of the 126th Legislature to privatize amusement ride inspections and to alter the fee structure used by the Office of the State Fire Marshal for amusement ride inspections. This amendment was not enacted.
