An Act To Amend the Requirement That the Department of Labor Calculate the Livable Wage

PUBLIC 569

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PRESCOTT RECTOR	OTP-AM	H-810

Current law requires the Department of Labor to biennially calculate the livable wage for households in the State's counties and municipalities by family size; the department is required to report this calculation to the Legislature. This bill removes the requirement that the department calculate the livable wage as well as the reporting requirement.

Committee Amendment "A" (H-810)

This amendment repeals the current law that requires the Department of Labor to calculate the livable wage, develop a basic needs budget based on a number of different sizes of families and report its findings to the Legislature.

This amendment requires the department to calculate the livable wage and develop a basic needs budget based on, at a minimum, a representative family size of a 2-parent household with 2 earners and 2 children and report the results to the Legislature, but only if funds are appropriated.

Enacted Law Summary

Public Law 2011, chapter 569 requires the department to calculate the livable wage and develop a basic needs budget based on, at a minimum, a representative family size of a 2-parent household with 2 earners and 2 children and report the results biennially to the Legislature, but only if funds are appropriated.
