Amendments Adopted

This initiated bill repeals the provision that limits marriage to one man and one woman and replaces it with the authorization for marriage between any 2 persons that meet the other requirements of Maine law. It also specifies that a marriage between 2 persons of the same sex in another state that is valid in that state is valid and must be recognized in this State. It also provides that a member of the clergy is not required to perform and a church, religious denomination or other religious institution is not required to host a marriage in violation of the religious beliefs of that member of the clergy, church, religious denomination or other religious institution and that any such refusal cannot be the basis for a lawsuit or liability and does not affect the tax-exempt status of the church, religious denomination or other religious institution.

This initiated bill will appear on the November 2012 ballot.
