RAYE	OTP-AM MAJ ONTP MIN	S-517

This bill amends the presidential nomination process in the State. The bill provides that, whenever the state committee of a party certifies that there is a contest among candidates for nomination as the presidential candidate of the party and that the committee has voted to conduct a presidential primary election, the State shall hold a presidential primary election. Under the bill, only voters who are enrolled in the party may vote in that party's presidential primary election. Under the bill, delegates to the national convention must be allocated in proportion with the candidate votes and the uncommitted votes cast in the presidential primary election of the party.

Committee Amendment "A" (S-517)

This amendment replaces the bill with a resolve that directs the Joint Standing Committee on Veterans and Legal Affairs to meet and develop legislation to be considered by the First Regular Session of the 126th Legislature that establishes a presidential primary.
