Slot Machine Facilities, which is made up of Legislators and stakeholders, to consider the economic impacts of existing casinos and the development of new casinos and directs the commission to develop recommendations for a competitive bidding process for slot machine facilities and casinos that may be authorized in the future. It establishes a nonrefundable application privilege fee of \$250,000 for any future slot machine facility or casino operator license and sets a minimum license fee, or cash bid if a competitive bidding process is established, of \$5,000,000.

House Amendment "B" To Committee Amendment "A" (H-942)

This amendment adds a representative of agricultural fairs and a representative of the hospitality industry to the Commission To Develop a Competitive Bidding Process for the Operation of Additional Casinos or Slot Machine Facilities.

This amendment allows the commission to recommend a minimum cash bid or license fee in an amount other than \$5,000,000 when a deviation from the \$5,000,000 amount is warranted based on the geography or demographics of the location of a proposed slot machine facility or casino or the size of the proposed slot machine facility or casino. This amendment allows the joint standing committee of the Legislature having jurisdiction over casino matters to report out legislation, rather than a bill as proposed in Committee Amendment "A," to the Second Regular Session of the 126th Legislature.

Senate Amendment "A" To Committee Amendment "A" (S-562)

The committee amendment prohibits the Gambling Control Board from accepting applications to operate a slot machine facility beginning September 1, 2012. This amendment provides that this prohibition does not apply to an application from a federally recognized Indian tribe that is expressly authorized by law to operate slot machines in Washington County.

Enacted Law Summary

Public Law 2011, chapter 699 prohibits the Department of Public Safety, Gambling Control Board from accepting applications or issuing licenses to operate a slot machine facility or a casino beginning September 1, 2012, unless that application is by a federally recognized Indian Tribe who operates high-stakes beano at a facility in Washington County which has been expressly authorized by law to operate slot machines at that gaming facility. It establishes a nonrefundable application privilege fee of \$250,000 for any future slot machine facility or casino operator license and sets a minimum license fee, or cash bid if a competitive bidding process is established, of \$5,000,000. The cash bid could be subject to a reduction if the geography, demographics and size of a proposed facility warrant such a reduction. Chapter 699 establishes the Commission To Develop a Competitive Bidding Process for the Operation of Additional Casinos or Slot Machine Facilities, which is made up of Legislators and stakeholders, to consider the economic impacts of existing casinos and the development of new casinos and directs the commission to develop recommendations for a competitive bidding process for slot machine facilities and casinos that may be authorized in the future. The commission is required to submit a report to the Joint Standing Committee of the Legislature having jurisdiction over casino gambling by February 2014. The committee may submit legislation to the 126th Legislature based on the commission's report.
