**RESOLVE 79**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CRAVEN GATTINE	OTP	S-331 HILL

This bill was carried over from the First Regular Session of the 126th Legislature.

This bill provides additional General Fund appropriations of \$1,500,000 in each of fiscal years 2013-14 and 2014-15 for the Department of Health and Human Services to fully fund the independent support services program, also known as the homemaker services program. This appropriation is intended to eliminate the waiting list for the independent support services program.

**Senate Amendment "A" (S-331)**

This amendment replaces the bill with a resolve and directs the Department of Health and Human Services to begin by December 1, 2013 reviewing and analyzing the need for services for instrumental activities of daily living among Maine's populations who are elderly or who have disabilities, the costs of providing services, the potential for savings and projections of need. This amendment directs the Department of Health and Human Services based on its review of costs and potential savings to submit by January 1, 2014 an inquiry to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services regarding the feasibility of obtaining a Medicaid waiver or a state plan amendment to enable the State to provide coverage for instrumental activities of daily living under the MaineCare program. If in response to the inquiry the Centers for Medicare and Medicaid Services indicates that it is feasible to obtain a Medicaid waiver or state plan amendment to enable the State to provide coverage for instrumental activities of daily living, the Department of Health and Human Services must apply for the necessary waiver or submit the state plan amendment by July 1, 2014.
