SUSTAINED**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CASAVANT DUTREMBLE	OTP-AM ONTP	H-31

This bill prohibits school boards from requiring that a superintendent reside in a municipality that is included within the school administrative unit.

Committee Amendment "A" (H-31)

This amendment, which is the majority report of the Joint Standing Committee on Education and Cultural Affairs, replaces the bill and provides that a school board may elect a superintendent without regard to whether the superintendent resides in a municipality that is included within the school administrative unit. It also removes the emergency preamble and clause from the bill.

LD 25 An Act To Exclude Certain State-funded Costs from the State Share of the Total Cost of Funding Public Education

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MASON A GOODALL	OTP-AM OTP-AM	

This bill provides that, beginning in fiscal year 2013-14, the state contributions to teacher retirement, retired teachers' health insurance and retired teachers' life insurance may not be included in the calculation of the state share percentage of the total cost of funding public education from kindergarten to grade 12 as required by the Essential Programs and Services Funding Act.

Committee Amendment "A" (H-505)

This amendment, which is the majority report of the Joint Standing Committee on Education and Cultural Affairs, adds an emergency preamble and clause to the bill, but retains the provision in the bill that the state contributions to teacher retirement, retired teachers' health insurance and retired teachers' life insurance may not be included in the calculation of the state share percentage of the total cost of funding public education from kindergarten to grade 12 as required by the Essential Programs and Services Funding Act. The amendment provides that the state share percentage target for fiscal year 2013-14 and succeeding years is 55%. This amendment also adds an appropriations and allocations section.

Joint Standing Committee on Education and Cultural Affairs

Committee Amendment "B" (H-506)

This amendment, which is the minority report of the Joint Standing Committee on Education and Cultural Affairs, adds an emergency preamble and clause to the bill and removes the provision in the bill that would have provided that the state contributions to teacher retirement, retired teachers' health insurance and retired teachers' life insurance may not be included in the calculation of the state share percentage of the total cost of funding public education from kindergarten to grade 12 as required by the Essential Programs and Services Funding Act. The amendment clarifies that the state contributions to teacher retirement reflect the state contributions to the employer retirement costs that are applicable to the normal cost of teacher retirement. The amendment also provides that the state share percentage target for fiscal year 2013-14 and succeeding years is 55%. This amendment adds an appropriations and allocations section.

This bill was committed to the Joint Standing Committee on Appropriations and Financial Affairs and carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).

LD 34 An Act To Implement the Recommendations of the Government Oversight Committee and the Office of Program Evaluation and Government Accountability Regarding Child Development Services PUBLIC 338

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-380 S-238 MILLETT

This bill implements recommendations of the Government Oversight Committee stemming from the report on child development services issued by the Office of Program Evaluation and Government Accountability in July 2012. The purpose of this bill is to require improved reporting to the Legislature on key financial and performance aspects of the Child Development Services System and the programs it administers, in order to enhance transparency, accountability and legislative oversight. The system is an entity established in statute with responsibility for administering federal programs for eligible children from birth to under 6 years of age under the federal Individuals with Disabilities Education Act. The system and its programs receive some federal funding but are primarily supported by the General Fund.

Committee Amendment "A" (H-380)

This amendment makes the following changes to the bill.

1. It provides that the annual report on the performance of the Child Development Services System within the Department of Education submitted to the Legislature by the director of early childhood special education must also be submitted to the joint standing committee of the Legislature having jurisdiction over health and human services matters.
2. It provides that the following data for eligible children who received services must be included in the annual report on the performance of the Child Development Services System submitted to the Legislature:
 - A. The number of children who received direct services in the prior year who were born in Maine and the number of children who received direct services in the prior year who were born in Maine and who were delivered at home;
 - B. The total number of children who were referred in the prior year for support outside of the Child Development Services System and the number of children who received direct services in the prior year who were referred for support outside of the Child Development Services System; and
