<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON P	OTP-AM	H-621

This bill was carried over from the First Regular Session of the 126th Legislature.

This bill changes the law regarding the restoration of retired teachers to service by removing the provision that a retired teacher may be paid only 75% of the posted salary for the position and replaces the provision that a retired teacher may be restored to service for only up to 5 years with a provision that allows the retired teacher to be restored to service through one-year contracts.

**Committee Amendment "A" (H-621)**

This amendment replaces the bill. It amends the law regarding the restoration of service for state employees and teachers by providing that, effective August 1, 2014, certain "classroom-based employees" who have reached normal retirement age and who have retired after September 1, 2011 may be restored to service as classroom-based employees at 100% of the compensation established for the positions to be filled through one-year contracts for no more than 5 one-year contracts per school administrative unit.
