***Joint Standing Committee on Veterans and Legal Affairs***

This bill proposes to amend the financial disclosure laws for Legislators and certain executive branch employees with regard to annual disclosure statements by reducing the minimum value of gifts that must be disclosed from \$300 to \$200, by requiring the disclosure of the annual total value of gifts, honoraria over \$2,000 and income received over \$10,000 for the sale, rental or lease of goods and services and by requiring that reportable income be identified as falling within specified ranges of income. The bill also provides that a former executive employee in a major policy-influencing position may not accept compensation for employment during the 12-month period immediately following termination of employment as an executive employee with, or under a contract to provide services during that period to, a person that is engaged in a business activity that is regulated by the state or quasi-state agency by which the former executive employee was employed.

Compensation paid to nonmembers for conducting a tournament game is limited to 20% of the gross revenue from the entry fees collected for the tournament game. The bill also increases the maximum entry fee for tournament game players.
