Committee Report

Amendments Adopted

This bill eliminates the super pack license and replaces it with a comprehensive license that includes all hunting and fishing licenses and permits and entries into the moose and antlerless deer lotteries. The comprehensive license differs from the super pack license in that:

1. The holder is not allowed to take more deer than is permitted for other hunting license holders;
2. The license does not include an antlerless deer permit for use in wildlife management districts in which 3,500 such permits are issued;
3. The resident fee for the license is \$35 instead of \$200;
4. The license is available to nonresidents and aliens for a fee of \$125; and
5. There is no license fee category for a person who holds 2 or more lifetime licenses.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
