LD 154 Resolve, Directing the Department of Transportation To Convene a Task Force To Study Issues Concerning Private Railroad Crossings

RESOLVE 59

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KESCHL SAVIELLO	OTP-AM	H-331

This bill amends the laws governing limited liability for recreational or harvesting activities to provide limited immunity for owners of private railroad crossings when the crossing areas are used for "recreational or harvesting activities," the definition of which is expand by the bill. It removes the provision that exempts an injury suffered in any case where permission to pursue a recreational or harvesting activity was granted in exchange for a payment from the extension of limited liability. It provides that the laws governing limited liability for recreational or harvesting activities do not limit the liability that would otherwise exist by virtue of the terms and conditions of a contract.

Committee Amendment "A" (H-331)

This amendment replaces the bill with a resolve directing the Department of Transportation to convene a task force to study the issues concerning private railroad crossings and report to the Joint Standing Committee on Judiciary by February 1, 2014. The Joint Standing Committee on Judiciary may report out a bill to the Second Regular Session of the 126th Legislature.

The amendment also adds an appropriations and allocations section.
