Joint Standing Committee on Appropriations and Financial Affairs

LD 138 An Act To Amend the Laws Governing the Issuance of Bonds That Have ONTP
Been Ratified by the Citizens of the State

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KESCHL SAVIELLO	ONTP	

This bill was carried over from the First Regular Session of the 126th Legislature.

This bill is a concept draft, pursuant to Joint Rule 208, which proposes to amend the laws governing the issuance of General Fund bonds that have been approved by referendum by the citizens of the State. Under this bill, once the issuance of bonds is approved by referendum, the bonds must be issued by the Treasurer of State unless the Treasurer of State determines, based on information available to the Treasurer of State, that the issuance of the bonds will adversely affect the credit rating of the State; a delay in the issuance of the bonds will likely result in a more financially advantageous interest rate; or alternative funding sources are available to implement, within a comparable time frame, the projects and the purposes for which the bonds were authorized and ratified, and use of the alternative funding sources is fiscally preferable.

LD 156 RESOLUTION, Proposing an Amendment to the Constitution of Maine Final Passage
Concerning Early Voting and Voting by Absentee Ballot Failed

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHAW LANGLEY	OTP-AM ONTP	H-587

In the First Regular Session of the 126th Legislature, this bill was referred to and reported out of the Joint Standing Committee on Veterans and Legal Affairs. It was placed on the Special Appropriations Table, removed from the table, committed to the Joint Standing Committee on Appropriations and Financial Affairs and carried over to a Special or Regular Session.

This resolution proposes to amend the Constitution of Maine to require the Legislature to authorize a process to allow a qualified voter to vote at a polling place in or outside of the city, town or plantation where that voter's residence has been established during a period immediately preceding an election. It also allows for voting by absentee ballot by citizens for reasons deemed sufficient without requiring in the Constitution of Maine that the citizens be absent or physically incapacitated.

Committee Amendment "B" (H-587)

This amendment eliminates the language in the resolution that requires the Legislature to authorize early voting by voters within or outside their places of residence and instead directs the Legislature to authorize a process of early voting that allows voting to occur in the same manner as on election day during a period immediately preceding an election.
