conduct beano or games of chance. This bill changes that distribution, instead directing the income to the Coordinated Veterans Assistance Grant Fund, which is established in the bill to give grants to assist veterans' service organizations and to make an annual deposit to the Maine Veterans' Memorial Cemetery System Care Fund.

### **Committee Amendment "A" (S-57)**

Current law requires 2% of the net table game income generated at a casino in Bangor to be held by the Department of Public Safety, Gambling Control Board for distribution to charitable nonprofit organizations eligible to conduct beano games and games of chance. This amendment provides that distribution of the table game income will go to the Coordinated Veterans Assistance Fund, which is established to assist veterans' service organizations with transportation of veterans to medical appointments and outreach to homeless veterans and to provide funding for veteran service officers at the Veterans Administration Hospital at Togus, for flags for veterans graves and for the Maine Veterans' Memorial Cemetery System Care Fund.

### **Enacted Law Summary**

Public Law 2013, chapter 128 repealed a provision of law governing the use of revenues from table games at one of the two licensed casinos in the State where 2% of the net table game income generated at a casino in Bangor was to be held by the Department of Public Safety, Gambling Control Board for distribution to charitable nonprofit organizations eligible to conduct beano games and games of chance. Chapter 128 provides that distribution of the table game income will go to the Coordinated Veterans Assistance Fund, which is established to assist veterans' service organizations with transportation of veterans to medical appointments and outreach to homeless veterans and to provide funding for veteran service officers at the Veterans Administration Hospital at Togus, for flags for veterans graves and for the Maine Veterans' Memorial Cemetery System Care Fund.
