Joint Standing Committee on Inland Fisheries and Wildlife

LD 177 An Act To Expand Moose Hunting Opportunities

PUBLIC 226

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO	OTP-AM	S-167

This bill:

1. Increases the number of moose hunting permits issued by the Department of Inland Fisheries and Wildlife based on the latest moose population estimate. It provides that the increase is phased in over three years;
2. Changes the system for issuing moose permits from the current chance lottery system to a drawing in which persons who apply over a number of consecutive years may be guaranteed to receive a permit. It sets aside 15% of the permits for nonresidents and aliens. Ten percent of the permits must be auctioned to licensed guides and persons associated with sporting camps. The remainder of the permits are available to Maine residents; and
3. Provides that 25% of the revenues from the moose hunting application and permit system is deposited in the Moose Research and Management Fund and modifies the purposes of the fund to include addressing moose health issues and overbrowsing of land and promoting and marketing moose hunting.

Committee Amendment "A" (S-167)

This amendment replaces the bill with a provision requiring the Commissioner of Inland Fisheries and Wildlife to alter the moose permit drawing system so that a resident 70 years of age or older who has at least 30 points is guaranteed a permit. The amendment also creates an option for a person to refuse a moose hunting permit but still retain that person's points if the person has been awarded a permit in a wildlife management district that the commissioner has designated as a road safety management area.

Enacted Law Summary

Public Law 2013, chapter 226 requires the Commissioner of Inland Fisheries and Wildlife to alter the moose permit drawing system so that a resident 70 years of age or older who has at least 30 points is guaranteed a permit. This law also creates an option for a person to refuse a moose hunting permit but still retain that person's points if the person has been awarded a permit in a wildlife management district that the commissioner has designated as a road safety management area.
