Current rules of the Department of Agriculture, Conservation and Forestry, Division of Parks and Public Lands limit to 12 the number of members in a group that may travel on the Allagash watercourse or camp at Allagash Wilderness Waterway campsites. This bill increases the permissible size of a group to 24, beginning with the 2014 camping season. It also requires larger groups to separate into self-contained groups of 24 or fewer. The bill also gives the division the authority to permit groups composed of more than 24 persons.

Committee Amendment "A" (S-85)

This amendment is the majority report. The amendment strikes and replaces the bill. Current rules of the Department of Agriculture, Conservation and Forestry, Division of Parks and Public Lands limit to 12 the number of members in a group that may travel on the Allagash watercourse or camp at Allagash Wilderness Waterway campsites. This amendment proposes to retain that rule except for groups of up to 18 persons who limit their use of the watercourse to day use and who do not camp overnight. It also makes exceptions for school groups that notify the division at least 2 weeks in advance and travel on the watercourse and camp at waterway campsites under the direction of the waterway's superintendent or the superintendent's designee. The amendment also proposes to allow groups of up to 24 persons to access the waterway by snowmobile at locations that are currently allowed by rule. The majority report was not adopted.
