Joint Standing Committee on Judiciary

This amendment is the minority report of the Joint Standing Committee on Judiciary.

This amendment replaces the bill and deletes the emergency preamble and emergency clause.

This amendment clarifies the current law concerning the confidentiality of concealed handgun permit information. It also provides that the permanent record that an issuing authority is required to make when issuing a concealed handgun permit is a public record, except that the personally identifying information about specific individuals may be protected from disclosure upon request.

The amendment directs the Chief of the State Police to develop a plan for the availability of statistical information about concealed handgun permits and the issuing process. The Chief of the State Police shall submit a report to the Joint Standing Committee on Criminal Justice and Public Safety no later than January 15, 2014 that contains the plan along with any proposed implementing legislation. The Joint Standing Committee on Criminal Justice and Public Safety may report out legislation to the Second Regular Session of the 126th Legislature upon receipt of the report. The plan must address specific data elements, whether a model permit would be desirable and a process to collect and make available statewide statistics and may include any other information or recommendations concerning issues about concealed handgun permits.

This amendment was not adopted.
