Joint Standing Committee on Health and Human Services

LD 390 An Act To Restore MaineCare Coverage for Ambulatory Surgical Center Services

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COOPER GRATWICK	OTP-AM	

This bill restores funding for MaineCare coverage for ambulatory surgical center services.

Committee Amendment "A" (H-215)

This amendment removes from the emergency preamble the word "inpatient," which was included in the bill in error. This amendment restores reimbursement that was eliminated in state fiscal year 2012-13. This amendment switches the funding in the bill from the General Fund to the Fund for a Healthy Maine and adds a requirement that the Department of Health and Human Services adopt routine technical rules regarding the reimbursement of ambulatory surgical centers to take effect July 1, 2013.

This bill was committed to the Joint Standing Committee on Appropriations and Financial Affairs and carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).

LD 434 Resolve, Regarding Safer Workplaces for Home Care and Home Health Workers

**VETO
SUSTAINED**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CRAVEN FARNSWORTH	OTP-AM	S-198

This bill requires home health care providers to provide safe working conditions for their employees, including checking the sex offender registry for information on a client before sending an employee to the home of the client.

Committee Amendment "A" (S-198)

This amendment replaces the bill with a resolve. The amendment incorporates the concepts contained in Legislative Document 1165 of the 126th Legislature, "An Act To Improve the Safety of Workers Who Provide Direct Mental Health and Social Services." The amendment directs the Department of Health and Human Services and the Department of Labor to convene a broadly representative work group to develop a set of guidelines that helps home care workers, home health workers and home care and home health agencies to better assess workplace risks. The amendment directs the work group to examine ways in which specific information about potential threats at service locations can be better communicated to the workers who serve clients in those locations and to consider a centralized recording of all incidents of workplace violence, a written workplace violence prevention and crisis response plan and training for home care workers and home health workers. The amendment directs the departments to report to the Joint Standing Committee on Health and Human Services by January 1, 2014.
