**LD 488      Resolve, Directing the Department of Health and Human Services To      CARRIED OVER**  
**Develop a Process To Provide Additional Home-based and**  
**Community-based Services in the MaineCare Program**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHENETTE LACHOWICZ	OTP-AM	

This bill provides that Department of Health and Human Services coverage for services to a member who is served under one of the home-based and community-based care waiver programs in MaineCare must be at least 95% of what it would otherwise cost to provide such services to the member if the member were served in a nursing facility.

**Committee Amendment "A" (H-325)**

This amendment replaces the resolve. It requires the Department of Health and Human Services to develop a process in the MaineCare home-based and community-based waiver program for the elderly and the disabled to provide additional services for up to 25 unduplicated participants per year whose annual cap on services may exceed the current cap as long as the department determines that the additional services are medically necessary, are likely to delay or prevent the institutionalization of the person and are not likely to result in the cost of the services exceeding the estimated costs of comparable services in a nursing facility. The department is required to develop the process, which requires the approval of the federal Department of Health and Human Services Centers for Medicare and Medicaid Services, by October 1, 2013.

This bill was committed to the Joint Standing Committee on Appropriations and Financial Affairs and carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
