**Resolve, Directing the Commissioner of Agriculture, Conservation and Forestry To Conduct an Internal Review of the Snowmobile Trail Fund**

**RESOLVE 48  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO LONG	OTP-AM	S-102

This resolve directs the Commissioner of Agriculture, Conservation and Forestry to conduct a review of aspects of expenditures from the Snowmobile Trail Fund that relate to the justification of certain expenditures from that fund, equity in the use of those funds in allocations to municipalities and local snowmobile clubs, equity in the cost sharing of funds between the Snowmobile Trail Fund and the ATV Recreational Management Fund with respect to state-owned rail trails, the elimination of state-administered snowmobile trail grooming projects and the implementation of regular reporting requirements and written policies to ensure equity in the use of funds in the Snowmobile Trail Fund.

In conducting this review, the commissioner is directed to consult with representatives of statewide snowmobiling organizations, municipalities and local snowmobile clubs and other appropriate stakeholder groups and to submit a report by December 4, 2013 to the Joint Standing Committee on Agriculture, Conservation and Forestry. Following its review of the commissioner's report, the committee may submit a bill to the Second Regular Session of the 126th Legislature to implement any mandatory reporting requirements or to authorize the adoption by the commissioner of any rules necessary to implement the commissioner's recommendations.

**Committee Amendment "A" (S-102)**

This amendment changes the duties of the Commissioner of Agriculture, Conservation and Forestry regarding the internal review of the Snowmobile Trail Fund required by the resolve. The amendment requires that the review include a written explanation of reasons funds are carried forward from one fiscal year to the next. It requires the development of a quarterly reporting system detailing the revenue to and expenditures from the fund, and a recommendation that reports be submitted quarterly to interested parties. The amendment requires the commissioner to develop an annual report on the finances and operations of the fund for submission to the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters. It also requires development of a written policy for distributing funds from the Snowmobile Trail Fund. The amendment requires the department to develop an educational program for grantees and to develop a plan to eliminate state-administered trail-grooming projects.
