Amendments Adopted

This bill makes the following changes to the election laws and other related laws.

1. It decreases the retention period for several types of election documents and filings.
2. It clarifies that the restrictions during the 15-day period after a change of party enrollment do not include the signing of a primary nomination petition, as long as the petition is certified after the 15-day period elapses.
3. It provides explicit authority for the Secretary of State to adopt routine technical rules for conducting voter list maintenance as required by the National Voter Registration Act of 1993.
4. It specifies that the federal and state court systems are entitled to voter registration data from the central voter registration system for the purpose of jury selection or bona fide court purposes.
5. It replaces the current process for formation of a new party by petition with a process of formation by enrolling a certain number of voters in the proposed party.
6. It moves the deadlines for submission of nonparty petitions for a slate of presidential electors to two weeks earlier.
7. It removes the requirement that the municipal clerk report to the Secretary of State when a registered voter changes party enrollment status in order to serve as an election clerk as well as the requirement that the Secretary of State report these changes in party enrollment status to the Legislature by January 15th after a general election.
8. It provides the Secretary of State the authority to act administratively to facilitate voting by Maine registered voters who are civilians living in the United States in an area in which the governor of that state has declared a state of emergency due to a natural disaster or other occurrence, or for Maine registered voters who are responding to and offering assistance to the area in which the state of emergency has been declared.
9. It changes the method of sealing the unopened envelopes containing rejected absentee ballots so that they are sealed with the used absentee envelopes, rather than with the voted ballots.
10. It allows the clerk to submit the notice of election, indicating that the municipality will process absentee ballots on the day prior to election day, to the Secretary of State as a scanned attachment to an e-mail, in addition to other means.
11. It decreases the amount of time an absentee ballot application from a uniformed service voter or overseas voter remains valid, from 2 years to 18 months.
12. It also makes other clarifications and technical corrections to the election laws.

LD 508 An Act To Remove the Disqualification from Obtaining a Liquor License for a Law Enforcement Officer Who Does Not Directly Benefit Financially

SAVIELLO	OTP-AM ONTP	S-60

This bill allows full-time law enforcement officers that have a direct or indirect benefit in a place of business to hold a liquor license if they meet all the other requirements.

Committee Amendment "A" (S-60)

This amendment replaces the bill. Current law provides that an applicant is disqualified from obtaining a retail liquor license if a full-time law enforcement officer benefits financially directly or indirectly. The amendment provides that the disqualification only applies if the full-time law enforcement officer directly benefits financially.
