relative to use of library materials) to include all state and local public libraries; current law limits application to local public libraries to public municipal libraries (about half of local public libraries are not "municipal"). It defines "public library" by reference to the definition of that term in the chapter of law governing the regional library system; the definition encompasses any library freely open to the public that serves the needs of all the residents of the area for which its governing body is responsible.

LD 533 **An Act To Eliminate the Requirement That Local Funding Follow a Pupil to a Charter School** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MACDONALD W	ONTP	

This bill eliminates the requirement that a school administrative unit's local contribution to the per-pupil allocation follow a student to a public charter school and instead requires only that the State's contribution to the per-pupil allocation follow the student to a public charter school but allows the local contribution to follow a student attending a public charter school established solely to address the needs of at-risk pupils as defined in the Maine Revised Statutes, Title 20-A, section 2401. The bill also limits to 20% the State's contribution to the per-pupil allocation that follows a student to a virtual public charter school, except when the virtual public charter school is established solely to address the needs of at-risk pupils.

LD 595 **An Act To Exempt School Administrative Units That Do Not Directly Serve Children with Disabilities from Certain Reporting Requirements** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHAPMAN	ONTP	

This bill provides that the Commissioner of Education may not require a school administrative unit to file reports regarding special education if the unit does not operate schools or if special education services for the unit's children with disabilities are provided by another school administrative unit that includes those children in its reports.

LD 609 **An Act To Increase Suicide Awareness and Prevention in Maine Public Schools** **PUBLIC 53**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GILBERT MILLETT	OTP-AM	H-86

This bill requires the Department of Education to adopt rules on standards for schools and school administrative units for suicide prevention education and training. The training and education will include suicide prevention awareness education for all personnel and more advanced suicide prevention and intervention training for at least 2 persons per school district.

Committee Amendment "A" (H-86)

This amendment strikes and replaces the bill. It adds a mandate preamble and provides that all of the requirements proposed in the bill for suicide prevention awareness education and suicide prevention and intervention training for school personnel are included in the Maine Revised Statutes, Title 20-A, section 4502. The amendment also provides that rules adopted by the Department of Education on standards for suicide awareness education and suicide prevention and intervention training for school personnel are routine technical rules, but that, beginning July 1, 2014, any subsequent changes to rules are major substantive rules.
