**LD 535      An Act To Promote Greater Flexibility in the Provision of Long-term Care Services      CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HUBBELL LANGLEY		

Current law precludes facilities licensed pursuant to the Maine Revised Statutes, Title 22, chapter 405 from providing certain services under one license to residents living in a facility under a lower level license on the same campus. The purpose of this bill is to allow facilities licensed under Title 22, chapter 405 to provide a continuum of care and services to clients residing in those facilities without requiring the clients to leave the facility, without requiring the creation of a licensed home health agency and without having to seek approval of area licensed home health agencies.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
