*Joint Standing Committee on Appropriations and Financial Affairs*

Services to apply for a state plan amendment to enable the use of the new methodology. It also provides a new methodology, similar to the new methodology for nursing homes, for recapturing depreciation upon the sale of residential care facilities for which reimbursement for room and board costs, including depreciation, is provided by the Department of Health and Human Services.

The effective date of the provision of law that establishes the new methodology for calculating recapture of depreciation upon the sale of a nursing facility is contingent upon the approval of the state plan amendment by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services.
