LD 559 An Act To Change Document Filing and Copying Fees for County Registries of Deeds

PUBLIC 370

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MORRISON	OTP-AM	H-445

This bill increases the filing fee for the first page of recording an instrument, including plans, at all registries of deeds by \$6. This bill also gives the county commissioners the option to raise the filing fee for the first page of recording an instrument in the registry of deeds by a majority vote.

Committee Amendment "A" (H-445)

This amendment separates paper copies from electronic abstracts and images for the purpose of fees assessed by county registries of deeds and further breaks down electronic copies into those downloaded at the office of a county registry of deeds and those downloaded from a county registry of deeds website. In current law, the cost for digital abstracts and images is 50¢ per page, with a fee of 5¢ per page for copies of 1,000 or more digital abstracts and copies of consecutive records. The amendment provides for a fee of 5¢ per image or electronic abstract for acquiring downloads of 1,000 or more consecutive electronic images or electronic abstracts from a county registry of deeds equipped to provide downloads. It also provides for no charge per image from a county registry of deeds website for the first 500 images or electronic abstracts, or a combination of the first 500 images and electronic abstracts, acquired by a person in a calendar year and 50¢ per image or electronic abstract for each subsequent image or electronic abstract acquired in the same calendar year. The amendment also removes the option for county commissioners to raise filing fees as provided in the bill and adds a definitions section.
