relative to use of library materials) to include all state and local public libraries; current law limits application to local public libraries to public municipal libraries (about half of local public libraries are not "municipal"). It defines "public library" by reference to the definition of that term in the chapter of law governing the regional library system; the definition encompasses any library freely open to the public that serves the needs of all the residents of the area for which its governing body is responsible.

**LD 533      An Act To Eliminate the Requirement That Local Funding Follow a Pupil to a Charter School      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MACDONALD W	ONTP	

This bill eliminates the requirement that a school administrative unit's local contribution to the per-pupil allocation follow a student to a public charter school and instead requires only that the State's contribution to the per-pupil allocation follow the student to a public charter school but allows the local contribution to follow a student attending a public charter school established solely to address the needs of at-risk pupils as defined in the Maine Revised Statutes, Title 20-A, section 2401. The bill also limits to 20% the State's contribution to the per-pupil allocation that follows a student to a virtual public charter school, except when the virtual public charter school is established solely to address the needs of at-risk pupils.

**LD 595      An Act To Exempt School Administrative Units That Do Not Directly Serve Children with Disabilities from Certain Reporting Requirements      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHAPMAN	ONTP	

This bill provides that the Commissioner of Education may not require a school administrative unit to file reports regarding special education if the unit does not operate schools or if special education services for the unit's children with disabilities are provided by another school administrative unit that includes those children in its reports.

**LD 609      An Act To Increase Suicide Awareness and Prevention in Maine Public Schools      PUBLIC 53**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GILBERT MILLETT	OTP-AM	H-86

This bill requires the Department of Education to adopt rules on standards for schools and school administrative units for suicide prevention education and training. The training and education will include suicide prevention awareness education for all personnel and more advanced suicide prevention and intervention training for at least 2 persons per school district.

**Committee Amendment "A" (H-86)**

This amendment strikes and replaces the bill. It adds a mandate preamble and provides that all of the requirements proposed in the bill for suicide prevention awareness education and suicide prevention and intervention training for school personnel are included in the Maine Revised Statutes, Title 20-A, section 4502. The amendment also provides that rules adopted by the Department of Education on standards for suicide awareness education and suicide prevention and intervention training for school personnel are routine technical rules, but that, beginning July 1, 2014, any subsequent changes to rules are major substantive rules.

## *Joint Standing Committee on Education and Cultural Affairs*

### Enacted Law Summary

Public Law 2013, chapter 53 requires the Department of Education to adopt rules on standards for schools and school administrative units for suicide prevention education and training. The training and education will include suicide prevention awareness education for all personnel and more advanced suicide prevention and intervention training for at least 2 persons per school district. The law also provides that rules adopted by the department on standards for suicide awareness education and suicide prevention and intervention training for school personnel are routine technical rules, but that, beginning July 1, 2014, any subsequent changes to rules are major substantive rules.

**LD 615      An Act To Protect School Administrative Units from a Sudden Decrease      ONTP**  
**in Funding due to Reduced Enrollments**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCCABE CAIN	ONTP	

This bill allows a school administrative unit to request reimbursement from the State when the unit has experienced a sudden and severe loss of funding due to the enrollment of students from that unit in public charter schools. The bill establishes criteria that a school administrative unit must meet to qualify for reimbursement. It also establishes a process by which school administrative units may petition the Commissioner of Education for reimbursement of a portion of the lost funds. The bill also establishes a reimbursement formula that the commissioner must use to calculate reimbursement amounts for qualifying school administrative units.

**LD 623      An Act To Promote the Attainment of Higher Education Degrees      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
POULIOT CUSHING	ONTP	

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to adjust the disbursement of financial aid packages to provide an incentive for a student enrolled in a postsecondary institution to complete that student's degree. Instead of providing the total amount of financial aid up front, leading to the exhaustion of available aid prior to the completion of course work, this bill would spread the financial aid out over the course of a student's enrollment. The intent of the bill is to ensure that enough financial aid is available to allow a student who is within 15 credits of completing the necessary requirements for graduation to pay for those credits.

See Part J of Committee Amendment "A" to LD 90 for provisions related to the purposes of this bill.

**LD 638      An Act To Require That School Budget Referenda Be Held on the Same      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WHITTEMORE DUNPHY	ONTP
