Joint Standing Committee on Marine Resources

Public Law 2013, chapter 9 increases the number of commercial licenses for the taking of elvers that the Penobscot Nation may issue in any calendar year from eight licenses to 48 licenses. Eight of the licenses allow the taking of elvers with two pieces of gear consisting of an elver fyke net and a dip net and 40 licenses allow the taking of elvers with one piece of gear only, consisting of either an elver fyke net or a dip net. If the Commissioner of Marine Resources and the Penobscot Nation determine elver resources are sufficient to permit the issuance of more licenses, the commissioner shall increase the number by rule.

Public Law 2013, chapter 9 was enacted as an emergency measure effective March 21, 2013.

LD 632

An Act To Enact Measures To Improve Enforcement Mechanisms in the Elver Industry

**PUBLIC 49
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON C KUMIEGA	OTP-AM	S-23

This bill makes technical changes in laws regarding marine resources to improve enforcement mechanisms for the elver industry. Among the changes are authorizing the seizure of a bulk pile that contains illegally harvested elvers and prohibiting the possession of elvers outside of the open season. The bill also changes the law to restrict courts from suspending all or a portion of fines for elver violations. It reduces the daily number of marine worms harvestable for personal use, and it restricts the allowable landings of northern shrimp for personal use to one tote.

The bill also specifies size limits on scallop spat collected and sold for placement on a lease site, it expands the sources of funds available to an aquaculture fund and it clarifies that Atlantic salmon raised for restoration purposes are not exempt from certain fishing prohibitions.

Committee Amendment "A" (S-23)

This amendment replaces the bill and adds an emergency preamble and an emergency clause. The amendment requires an elver harvester to provide, upon request of a law enforcement officer or elver dealer, a government-issued identification with the harvester's photograph and birth date. The amendment restricts the form of payment with respect to the sale and purchase of elvers to a check. The amendment converts many elver fishing violations that are currently civil violations to Class D crimes and requires courts to impose the maximum fine for those Class D crimes.

Enacted Law Summary

Public Law 2013, chapter 49 requires an elver harvester to provide, upon request of a law enforcement officer or elver dealer, a government-issued identification with the harvester's photograph and birth date and restricts the form of payment with respect to the sale and purchase of elvers to a check. It also converts many elver fishing violations that are currently civil violations to Class D crimes and requires courts to impose the maximum fine for those Class D crimes.

Public Law 2013, chapter 49 was enacted as an emergency measure effective April 24, 2013.

See enacted bill summary for LD 1545, which repeals the provision requiring licensed elver dealers and dealer's representatives to purchase elvers with a check.
