An Act To Create a Tax Incentive Program To Improve the Maine Lobster Industry

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON C KUMIEGA	ONTP	

This bill provides a sales tax refund and exemption, beginning July 1, 2013, to encourage capital investment in commercial lobster processing companies in the State and creates a working group that will examine broader issues and make recommendations by January 15, 2014 for improving the competitiveness of commercial lobster processing companies in the State.

Part A of the bill creates a sales tax refund and exemption for the purchase of depreciable machinery and equipment for use in commercial lobster processing beginning July 1, 2013. It requires commercial lobster processing companies receiving the exemption and refund to, beginning January 1, 2014, report annually to the State Tax Assessor on their market share, number of employees, average salary or wages, employee benefits and the number of pounds of lobster processed. It gives the State Tax Assessor auditing authority and the authority to recapture ineligible refunds and exemptions of sales tax within 3 years after the date of the refund or purchase. Beginning March 1, 2014, the bill requires the State Tax Assessor to submit a report annually to the joint standing committee of the Legislature having jurisdiction over taxation matters. The report must include, from the commercial lobster processing companies reporting, aggregate data on market share, employment, wages, benefits and the number of pounds of lobster processed as well as the amount of tax expenditure attributable to the commercial lobster processing companies' receiving the refund and exemption. It requires the joint standing committee of the Legislature having jurisdiction over taxation matters to annually review the report provided by the State Tax Assessor and authorizes the joint standing committee of the Legislature having jurisdiction over taxation matters to issue a report of its findings and recommendations. It gives the joint standing committee of the Legislature having jurisdiction over taxation matters authority to submit a bill to the Legislature to implement recommendations resulting from the review. The sales tax refund and exemption available to commercial lobster processing companies expires June 30, 2018.

Part B of the bill creates a working group convened jointly by the Commissioner of Economic and Community Development and the Commissioner of Marine Resources to examine factors that undermine the competitiveness of Maine commercial lobster processing companies, the extent to which the Canadian lobster industry is subsidized and data on employment, wages, benefits, pounds of lobster processed and market share. It requires the working group to identify benchmarks that may be used to determine eligibility for the sales tax refund and exemption. It requires the working group to make recommendations for increasing commercial lobster processing in the State and identify strategies for strengthening the Maine lobster brand and the relationships within the industry to better promote Maine lobster and increase sales. It requires the working group to report, no later than January 15, 2014, findings and recommendations to the Joint Standing Committee on Taxation and the Joint Standing Committee on Marine Resources. It authorizes the Joint Standing Committee on Taxation and the Joint Standing Committee on Marine Resources to introduce a bill related to the subject matter of the report to the Second Regular Session of the 126th Legislature upon receipt of the report.
