This amendment replaces the bill and expands the exemption under the workers' compensation laws for employers of agricultural laborers by adding "equine activity" to the definition of "agriculture". "Equine activity" means activities as defined in the Maine Revised Statutes, Title 7, section 4101, subsection 5, which includes boarding, keeping, trailering, showing and displaying an equine. Additionally, this amendment applies to cases currently pending before the Workers' Compensation Board on the effective date of the Legislation.
