**ACCEPTED
MAJORITY
(ONTP) REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TUTTLE BOLAND	ONTP OTP-AM	

This bill adds single-gender classes to the pathways that may be used to provide learning opportunities for elementary and secondary school students in the State. The bill also specifies policies that elementary and secondary schools must adopt before offering single-gender classes. It also provides a definition of "single-gender class" in the Maine Revised Statutes, Title 20-A.

Committee Amendment "A" (S-27)

This amendment is the minority report and replaces the bill. This amendment provides that the Maine Human Rights Act does not prohibit single-sex classes that are permitted under the United States Department of Education regulations, 34 Code of Federal Regulations, Section 106.34(b).

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON P	OTP-AM	

This bill provides for the reimbursement by the State of the actual transportation costs for career and technical education students who reside in a school administrative unit that is determined to be an isolated small unit pursuant to the provisions of the Essential Programs and Services Funding Act. Isolated small units must be reimbursed in the following fiscal year for the actual transportation costs for career and technical education students that are incurred in a fiscal year.

Committee Amendment "A" (H-223)

This amendment replaces the bill. The amendment provides that certain isolated small school administrative units are eligible for an adjustment under the school funding formula to reimburse the units for transportation costs expended for transporting students to and from a career and technical education center or a career and technical education region. To be eligible, a unit must receive the minimum state allocation based on the unit's special education costs. The reimbursement is based on actual net costs incurred during the base year under the funding
