permits for sale:

1. The total number of moose permits must be greater than the number issued in calendar year 2012;
2. All hunters must hold valid Maine hunting licenses;
3. The fee per permit is \$1,500;
4. The number of permits offered for sale to the sporting camps must be capped at 250; and
5. The revenue received from the sale of the permits must be used to offset any loss from the moose permit auction by youth conservation education programs.

### **Committee Amendment "A" (S-305)**

This amendment, which is the majority report of the committee, replaces the bill and creates a new moose hunting permit lottery system for hunting outfitters, who may sell or transfer the permits as part of an eating, lodging and hunting package. The permits made available for this lottery, if any, will come from 10% of the number of permits that exceed 3,140, which is the total number of moose hunting permits issued in 2010. Individuals hunting with permits issued under this system must hunt with a licensed Maine guide. Proceeds of the new lottery system will be allocated to youth conservation education programs under certain conditions and any remainder will be allocated to the Moose Research and Management Fund.

### **Senate Amendment "A" To Committee Amendment "A" (S-340)**

This amendment lapses \$10,374 for each of fiscal years 2013-14 and 2014-15 from the Inland Fisheries and Wildlife Carrying Balances - General Fund account to the General Fund unappropriated surplus to offset the loss in revenue from changes made to moose permit fees.
