Joint Standing Committee on Taxation

since 1997, to \$5,000,000 for investments made in 2014 or after. The bill authorizes additional tax credits of \$2,000,000 for investments made between June 1, 2013 and December 31, 2013, \$4,000,000 for investments made in calendar year 2014 and \$5,000,000 each year for investments made in each subsequent year. An investor in a venture capital fund requesting a refundable tax credit may not file for a refund until the calendar year after the calendar year in which the investment is made.

Committee Amendment "A" (S-213)

This amendment clarifies that investors other than private venture capital funds are eligible for a tax credit certificate. It requires businesses applying under the Maine Seed Capital Tax Credit Program to certify that the amount of the credit is necessary to allow the business to create or retain jobs in the State. It adds a definition of "value-added" and applies it to the term "natural resource enterprise," which is a defined term. It limits the availability of the tax credit for private venture capital funds to \$500,000 times the number of investors in the fund or \$4,000,000, whichever is less.

Senate Amendment "A" To Committee Amendment "A" (S-341)

This amendment limits the amount of additional seed capital tax credit certificates that may be issued to \$675,000 between January 1, 2014 and December 31, 2014, \$4,000,000 for investments made in calendar year 2015 and \$5,000,000 each year for investments made in calendar years beginning with 2016.
