Joint Standing Committee on Labor, Commerce, Research and Economic Development

The amendment requires that if the Department of Administrative and Financial Services has reason to believe that any person, business or other entity has intentionally made fraudulent representations about the domestic content of a manufactured good or has intentionally violated any provision of the legislation, the department must, after a hearing, debar that person, business or other entity from contracts or subcontracts with the State for 2 years.

The amendment provides that the provisions of this legislation will be applied only if they are consistent with the State's obligations under any applicable international agreements pertaining to government procurement. The amendment also adds an appropriations and allocations section.

Committee Amendment "B" (S-304)

This amendment, which is the minority report of the committee, mirrors the majority report establishing the Maine Buy America Act except that it eliminates any requirements regarding the domestic content of a manufactured good's components or subcomponents. This amendment was not adopted.

House Amendment "A" To Committee Amendment "A" (H-557)

This amendment exempts counties from the definition of public agencies that are governed by the legislation.

Senate Amendment "A" To Committee Amendment "A" (S-344)

This amendment changes the effective date from June 1, 2014 to September 1, 2014. It also replaces the appropriations and allocations section to provide funding for one part-time position within the Department of Administrative and Financial Services to comply with the Maine Buy America Act.
