LD 1004 An Act To Clarify Voting Procedures for Standard Water Districts CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HOBBINS		

This bill clarifies voting procedures for standard water districts. Currently, standard district charters and charter amendments approved by the Legislature and the Maine Revised Statutes, Title 35-A, sections 6410, 6413 and 6413-A use language to the effect that referendum elections or trustee elections must be conducted in accordance with the laws relating to municipal elections without explicitly stating that the secret ballot method of voting is to be used. This bill clarifies that secret ballot voting in accordance with Title 30-A, section 2528 is the method to be used to enact or amend a standard district charter by referendum, to elect trustees or to establish or amend a debt limit by referendum, even if a municipality in which the standard district is located has not accepted this method of voting.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
