Joint Standing Committee on Labor, Commerce, Research and Economic Development

This bill allows flexibility in the minimum hourly wage and benefit rates for workers employed in the construction of public works by the State or persons contracting with the State by allowing any allocation between hourly wage and benefit rates, as long as the sum of the hourly wage and benefit rates equals the sum of the appropriate hourly wage and benefit rates determined by the Department of Labor, Bureau of Labor Standards.

Committee Amendment "A" (H-131)

This amendment, which is the majority report of the committee, adds an effective date to the bill of June 1, 2014.

House Amendment "A" To Committee Amendment "A" (H-252)

This amendment replaces the language in the bill. It allows flexibility in the minimum wage and benefit rates, but only if the fair minimum wage for a trade is at or above the mean value of all wages in the same wage and benefit determination, and only if a transfer from the fair minimum wage to the fair minimum benefit rate does not exceed 15% of the fair minimum wage amount for that trade in the minimum wage and benefit determination.

LD 1071 An Act Regarding Qualifications for Real Estate Licensees

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VOLK CUSHING	ONTP	

This bill changes the composition of the Maine Real Estate Commission by removing one public member and adding one member representing the real estate education field. The bill eliminates the real estate agent license and instead requires an applicant qualifying for a real estate broker license or an associate real estate broker license to successfully pass a written examination. The bill increases the number of years a real estate broker applicant must have been licensed as an associate broker affiliated with a real estate brokerage agency within the 5 years immediately preceding the date of application, from 2 years to 4 years. The bill also removes the authority of the Real Estate Commission to adopt rules determining whether educational programs meet license qualifications required by the real estate brokerage licensing laws.
