PUBLIC 275

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HAMPER	OTP-AM	S-116

This bill:

1. Requires that collections from redemption centers be made by a distributor or commingling group of distributors every 15 days and requires additional pickups to be made when the redemption center has more than 10,000 beverage containers from that distributor or group of distributors;
2. Establishes a process for audits of plastic bags containing beverage containers submitted for acceptance to a distributor; and
3. Provides that the licensing provisions apply to all licensed redemption centers, notwithstanding any other provision of law to the contrary.

Committee Amendment "A" (S-116)

This amendment strikes the provision in the bill that establishes a process for audits of plastic bags containing beverage containers submitted for acceptance to a distributor and adds a requirement that the Department of Agriculture, Conservation and Forestry adopt rules for conducting audits on containers presented to distributors by redemption centers as ready for redemption. The amendment strikes the provision in the bill relating to the counting of all redemption centers when calculating the number of centers in a municipality. The amendment retains the provisions in the bill requiring that collections from redemption centers be made every 15 days and additional pickups be made when the redemption center has more than 10,000 beverage containers. The amendment also adds an appropriations and allocations section to the bill.
