This amendment, which is the minority report of the Joint Standing Committee on Education and Cultural Affairs, establishes provisions to fund public charter schools that are authorized by the Maine Charter School Commission beginning in fiscal year 2014-15. LD 1083 Resolve, Directing the Department of Education To Develop a Process To Provide Alternative Pathways To Learning for Certain High School Students ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MASON G	ONTP	

This resolve directs the Commissioner of Education to review the issues presented when secondary school students, after repeated school interventions and individualized, targeted efforts, continue to be habitually disruptive in the classroom. The resolve directs the commissioner to examine the impact of the presence of such students on the rest of the classroom and the school community and develop a process to identify secondary school students who, because of the students' recurring discipline issues, might benefit from exemption from the laws governing compulsory school attendance. The resolve directs the commissioner to identify potential options for alternative pathways to successful learning for such students, including but not limited to trade apprenticeships, internships and independent learning leading to high school equivalency certification, and examine ways to ensure that information regarding these alternative pathways is made available to such students.
