CRAVEN GRAHAM		

This bill establishes an alternative long-term care benefit program for those persons that qualify for long-term benefits under the MaineCare program. The bill allows persons otherwise eligible for long-term care benefits under MaineCare that own life insurance policies with face amounts exceeding \$10,000 to enter into life settlement contracts in exchange for direct payments to a health care provider for long-term care benefits. The bill prohibits the Department of Health and Human Services from considering the value of the life settlement contract as an asset or resource in determining eligibility for MaineCare. The bill also establishes the conditions under which a life settlement contract may be used, requires certain disclosures to be made to MaineCare applicants and authorizes the Department of Health and Human Services to adopt rules after consultation with the Department of Professional and Financial Regulation, Bureau of Insurance.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).

Part A of the bill establishes the Maine Health Exchange Advisory Board to advise the Federal Government, Governor and Legislature on the implementation and operation of a health exchange in this State pursuant to the federal Patient Protection and Affordable Care Act. Part B of the bill suspends the authority of the Maine Guaranteed Access Reinsurance Association from January 1, 2014 until December 31, 2016 or until such time as the transitional reinsurance program administered by the federal Department of Health and Human Services pursuant to the federal Patient Protection and Affordable Care Act is no longer operational. This Part also directs the Board of Directors of the Maine Guaranteed Access Reinsurance Association to amend the association's plan of operation and submit an amendment to the plan of operation on or before October 1, 2013 to the Superintendent of Insurance for approval.
