This bill establishes the Fund for Professional Development in Education with an appropriation of \$2,000,000 to support up to 50% of the cost of up to an additional 10 days annually of professional development for teachers and other education professionals. The fund is administered by the Commissioner of Education, who must approve funding if a school administrative unit demonstrates that the professional development for which funding is requested will improve teaching or educational services provided to students, the school administrative unit will provide at least 50% of the funding and the school administrative unit has entered into an agreement with the teachers regarding the timing and components of the professional development activities.

**Committee Amendment "A" (S-192)**

This amendment is the minority report of the committee. The amendment clarifies that before a school administrative unit enters into an agreement with teachers and other education professionals regarding the professional development activities for which funding is sought from the Commissioner of Education, the school administrative unit must consult with teachers and other education professionals regarding their needs and preferences for the professional development activities that will improve teaching and educational services provided to students.

This bill authorizes and provides funding for the Science, Technology, Engineering and Mathematics Council to establish the office of executive director to provide leadership and management expertise that will assist the council in achieving its goals.

**Committee Amendment "A" (S-207)**

This amendment strikes and replaces the bill to make the following changes to the Science, Technology, Engineering and Mathematics Council.

1. Like the bill, it authorizes the council to establish the office of executive director to provide leadership and management expertise to assist the council in meeting its goals, but further allows the council to enter into an agreement, to the extent that public and private funds are available, to contract with an executive director.
2. It adds the Maine Maritime Academy to the entities that jointly provide staff support to the council.
3. It authorizes the council to receive and expend funds from public and private sources to carry out the council's duties.
