LD 1151

An Act Regarding the Administration and Financial Transparency of the Citizen Trade Policy Commission

**PUBLIC 427
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAKER SHERMAN	OTP-AM	H-105 H-110 HERBIG S-367 HILL

This bill modifies the law governing the Citizen Trade Policy Commission to provide that:

1. To the extent funding permits, the Legislature, through the commission, must contract for year-round staff support for the commission. To the extent the commission lacks adequate staff support, the commission may request staff support from the Legislative Council, except that Legislative Council staff support is not authorized when the Legislature is in regular or special session; and
2. All funds appropriated, allocated or otherwise provided to the commission must be separately accounted for and used solely for the purposes of the commission and are nonlapsing. At the beginning of each fiscal year, and at any other time at the request of the cochairs of the commission, the Executive Director of the Legislative Council must provide to the commission an accounting of all funds available to the commission, including funds for staff support.

The bill is designated an emergency to ensure that the limited funding available to the commission does not lapse at the end of the current fiscal year.

Committee Amendment "A" (H-105)

This amendment adds an appropriations and allocations section and transfers funds into the newly created, separate Citizen Trade Policy Commission program.

House Amendment "A" (H-110)

This amendment requires any unexpended funds of the Citizen Trade Policy Commission remaining at the end of fiscal year 2012-13 to be transferred into the separate account created in the bill.

Senate Amendment "A" To Committee Amendment "A" (S-367)

Joint Standing Committee on Labor, Commerce, Research and Economic Development

This amendment provides an additional \$1,500 annually in funding to the Citizen Trade Policy Commission.

LD 1154 An Act To Establish the Maine Length of Service Award Program

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAKER DUTREMBLE	OTP-AM	

This bill establishes the framework for a statewide pension-type program under which "bona fide volunteers" as defined in the United States Internal Revenue Code are paid length of service awards for performing qualified services. "Qualified services" is defined under the United States Internal Revenue Code, Section 457(e)(11) to mean "fire fighting and prevention services, emergency medical services, and ambulance services." Under the program, volunteers have a program account that would be credited with an annual contribution deposited no later than the following July 1st for each year during which the volunteer participated in a minimum required level of volunteer activities set forth by the Maine Length of Service Award Program Board of Trustees. Upon the attainment of 60 years of age or after having earned 20 years of service credit before 60 years of age, a volunteer who had attained a vested status in the program by having earned 5 years of service credit would be paid the contributions credited to that volunteer's program account plus the net investment income earned on those contributions. The vested portion of the program account award of a participating volunteer must be paid before 60 years of age after the volunteer ceases to perform qualified services for 36 consecutive months. The program account balance of a participating volunteer is also payable before 60 years of age upon death or total and permanent disablement.

This bill authorizes the State, political subdivisions and emergency services providers within the State as well as emergency services volunteers to participate in the funding of this program. Participation in the program funding is optional for any prospective contributor, and the amount contributed may vary from year to year by a contributor based on available funds. If federal funds become available for the program, the program must accept those funds as well.

This bill raises the sales tax on consumer fireworks from 5% to 10% and dedicates the revenue from the increase to the program.
