**LD 1177      An Act To Implement the Recommendations from the Discontinued and Abandoned Roads Stakeholder Group      CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO KESCHL		

This bill implements the recommendations of the stakeholder group established by the Department of Agriculture, Conservation and Forestry pursuant to Resolve 2011, chapter 120 to review discontinued and abandoned roads. This bill provides that if a municipality decides to retain a public easement after the municipality discontinues a town way, the municipality must vote in the affirmative to retain the public easement and that if the municipality fails to maintain the public easement for two years, the public easement is discontinued and the public's interest in the easement is abolished. The bill requires that a municipality give an easement to a property owner that requires access to the property owner's property if the municipality discontinues a town way. Current law allows a municipality to discontinue a town way by giving notice to all abutting property owners and the municipal planning board and filing an order of discontinuance with the municipal clerk. The bill, beginning on January 1, 2016, requires that a municipality must vote in order to discontinue a town way. The bill also requires that by January 1, 2016 every municipality prepare a list of all municipal town ways that the municipality intends to keep in repair with public funds pursuant to the Maine Revised Statutes, Title 23, chapter 304 and to publish the list on its publicly accessible website. If a town way has not been included on the list by January 1, 2016, the town way is discontinued with no public easement and the abutters of the town way have 2 years to file a claim pursuant to Title 23, section 3027-A, subsection 2 against the municipality.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
