LD 1385 An Act To Amend the Reporting Requirements of the Workers' Compensation Management Fund CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FITZPATRICK		

Current law requires the Commissioner of Administrative and Financial Services to provide to the State Budget Officer and departments and agencies notice of quarterly premium payments due to the Workers' Compensation Management Fund so that the charges may be incorporated into the normal budgetary process. This bill instead requires the Department of Administrative and Financial Services, Division of Employee Health and Benefits to inform the State Budget Officer of the premium charges for the fiscal year, and directs the State Budget Officer to advise any affected department or agency so those charges may be incorporated into the normal budgetary process. This bill also removes transitional language that was applicable in the 114th Legislature.
