Joint Standing Committee on Appropriations and Financial Affairs

LD 1188 Resolve, Directing the Department of Health and Human Services To ONTP
Amend Its Rules of Reimbursement under the MaineCare Program for
Audiology and Speech-language Pathology Services

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HERBIG PATRICK	ONTP	

In the First Regular Session of the 126th Legislature, this resolve was referred to and reported out of the Joint Standing Committee on Health and Human Services. It was placed on the Special Appropriations Table, removed from the table, committed to the Joint Standing Committee on Appropriations and Financial Affairs and carried over to a Special or Regular Session.

This resolve directs the Department of Health and Human Services to amend the rules of reimbursement under the MaineCare program for audiology and speech-language pathology services by October 1, 2013 in order to equalize rates, eliminate a prior authorization requirement and provide for payment by the MaineCare program of the Medicare deductible for audiology services for certain MaineCare members. The rules are designated as routine technical rules.

LD 1223 An Act To Authorize a General Fund Bond Issue To Support Human PUBLIC 568
Health Research in Maine

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAIN DILL	OTP-AM	S-557

This bill was carried over from the First Regular Session of the 126th Legislature.

The funds provided by this bond issue, in the amount of \$50,000,000, will be used to provide funds over five years for research, development and commercialization for targeted technology sectors, awarded after a competitive process administered by the Department of Economic and Community Development, Maine Technology Institute.

Committee Amendment "A" (S-557)

This amendment strikes and replaces the bill. Under this amendment, the funds provided by the bond issue, in the amount of \$3,000,000, will be matched by \$5,700,000 in private and public funds to be awarded through a competitive process to institutions that have been designated as Centers of Biomedical Research Excellence and have also received IDeA Network of Biomedical Research Excellence grants and will be used to modernize and expand the infrastructure in a biological laboratory specializing in tissue repair and regeneration located in Maine in order to increase workforce training, to retain and recruit to Maine biomedical research groups and to create a drug discovery and development facility.

Enacted Law Summary

Public Law 2013, chapter 568 provides for a bond issue in the amount of \$3,000,000 to be matched by \$5,700,000 in private and public funds and awarded through a competitive process to institutions that have been designated as Centers of Biomedical Research Excellence and have also received IDeA Network of Biomedical Research Excellence grants and will be used to modernize and expand the infrastructure in a biological laboratory specializing in tissue repair and regeneration located in Maine in order to increase workforce training, to retain and recruit to Maine biomedical research groups and to create a drug discovery and development facility.

The bond issue is subject to voter approval at a statewide election to be held in November 2014.
