Joint Standing Committee on Criminal Justice and Public Safety

Part D of the bill changes the requirement for patients, primary caregivers and dispensaries to keep marijuana in an enclosed, locked facility. Instead, it requires that the marijuana be secured from unauthorized access or from access by a person under 21 years of age.

Part E of the bill updates the existing exceptions regarding possession of marijuana in the Maine Criminal Code to reflect the use permitted by this legislation.

Part F of the bill removes the fingerprinting and criminal history record check requirements from the existing laws that allow a person to apply to the Department of Agriculture, Conservation and Forestry for a license to grow industrial hemp. It removes provisions in the law that make licensing of industrial hemp farming contingent upon federal action and that require licensees to document the type of hemp planted and to provide notification of each sale.

This Part also updates various provisions of the Maine Revised Statutes, Title 7 that are affected by changes in terminology proposed to the Maine medical marijuana law in this bill and in Title 26 to prohibit the employment of a person under 21 years of age in an establishment licensed for commercial marijuana-related activities.

Part G of the bill provides that a person cannot be found to lack "good moral character" for personal, medical or commercial marijuana activities allowed by this legislation for purposes of obtaining a permit to carry a concealed handgun.

Part H of the bill requires this legislation to be submitted to statewide referendum for approval by the voters of the State.

Committee Amendment "A" (H-324)

This amendment is the minority report of the committee. This amendment strikes the bill and replaces it with a requirement, contingent upon approval of the voters at referendum, that the Department of Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery Operations develop a plan that includes proposed rules and any legislation needed to implement the use and taxation of marijuana. The bureau is required to report its plan to the Joint Standing Committee on Criminal Justice and Public Safety by January 31, 2014. The Joint Standing Committee on Criminal Justice and Public Safety may report out legislation to the Second Regular Session of the 126th Legislature related to that report. This amendment was not adopted.
