### LD 1213 An Act To Reduce Costs and Increase Access to Methadone Treatment

Accepted Majority (ONTP) Report

Sponsor(s)	Committee Report	Amendments Adopted
LOCKMAN	ONTP	
CUSHING	OTP-AM	

This bill was carried over from the First Regular Session of the 126th Legislature.

This bill proposes to decrease costs of and increase access to substance abuse treatment services by requiring the Department of Health and Human Services to increase the number of federally qualified health centers that provide methadone treatment services, to require enrollment at the clinic closest to the person's home and to work to facilitate access to services and distribution of services across the State. The bill requires the department to amend the methadone clinic rules to eliminate the requirement that the centers be open for administration of methadone treatment on Sundays. The bill designates the rules as routine technical rules. The department is required to work with stakeholders to address current rules and policies that act as barriers to achieve the intent of this legislation.
