## *Joint Standing Committee on Inland Fisheries and Wildlife*

proclamation must conform to federal guidelines for migratory game bird species. It adds a provision regarding unlawful possession of ruffed grouse. The bill also directs the Commissioner of Inland Fisheries and Wildlife to establish a task force to consider the effect of the importation and possession of wildlife and the issues of possession and exhibition of wildlife in the State.

### **Committee Amendment "A" (S-173)**

This amendment adds an emergency preamble and emergency clause to the bill. It clarifies that rock doves, also known as "rock pigeons" and which the bill adds to the list of wild birds that may be hunted, are not included in the definition of "migratory game bird." It repeals the Maine Revised Statutes, Title 12, section 12051, subsection 2, which requires a permit to take rock doves from the wild for the purpose of training dogs since a rock dove is not a migratory game bird. It makes further changes to the laws regarding the placement of bear bait to prohibit hunting, trapping, molesting or harassing wildlife, using chemicals or releasing dogs in the vicinity of existing bait sites. It also requires nonresidents hunting bear with the use of a dog or dogs to be within visual and voice contact of a resident Maine guide. Finally, it makes the penalty for violation of hunting bear over another person's bait without permission a mandatory hunting license revocation.

### **Enacted Law Summary**

Public Law 2013, chapter 280 makes changes to Maine's wildlife laws for the purpose of strengthening wildlife populations.

It clarifies that rock doves, also known as "rock pigeons," which the bill adds to the list of wild birds that may be hunted, are not included in the definition of "migratory game bird." It repeals the Maine Revised Statutes, Title 12, section 12051, subsection 2, which requires a permit to take rock doves from the wild for the purpose of training dogs since a rock dove is not a migratory game bird. It also adds language to clarify that the Commissioner of Inland Fisheries and Wildlife's extension of the open season for bird hunting in certain sections of the State that had been closed by proclamation must conform to federal guidelines for migratory game bird species. It also adds a provision regarding unlawful possession of ruffed grouse.

Also, Public Law 2013, chapter 280 adds bear, moose and wild turkey to the list of wild animals a person is prohibited to feed. It directs the Commissioner of Inland Fisheries and Wildlife to establish a task force to consider the effect of the importation and possession of wildlife and the issues of possession and exhibition of wildlife in the State. It makes further changes to the laws regarding the placement of bear bait to prohibit hunting, trapping, molesting or harassing wildlife, using chemicals or releasing dogs in the vicinity of existing bait sites. It also requires nonresidents hunting bear with the use of a dog or dogs to be within visual and voice contact of a resident Maine guide. Finally, it makes the penalty for violation of hunting bear over another person's bait without permission a mandatory hunting license revocation.

Public Law 2013, chapter 280 was enacted as an emergency measure effective June 18, 2013.
