Joint Standing Committee on Transportation

LD 1208 Resolve, To Establish the Commuter and Passenger Rail Advisory Task Force ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VEROW YOUNGBLOOD	ONTP	

This resolve directs the Department of Transportation to establish and convene the Commuter and Passenger Rail Advisory Task Force to evaluate and prioritize investments in commuter and passenger rail service between communities in this State in order to expedite development of efficient commuter rail service as appropriate in the major economic and population centers of this State to reduce costs to the State, its municipalities and its citizens of travel to and from work, business activities and entertainment and recreation activities.

The task force must develop a Maine commuter and passenger rail plan, which must include investment priorities for the establishment of commuter and passenger rail service between communities in this State. The plan must be based on existing studies and analyses and explore the markets and infrastructure and the potential to remove automobile traffic from excessively used roadways. The plan must also provide for the reduction of highway construction and maintenance costs and identify ways to limit the need for parking facilities and to reduce road congestion and lessen transportation costs for citizens living in cities in this State.

The Department of Transportation must report the findings and the plan of the task force to the Joint Standing Committee on Transportation no later than February 28, 2014. The Joint Standing Committee on Transportation may submit a bill to the Second Regular Session of the 126th Legislature on the subject matter of the report.
